State of New Hampshire

To the inhabitants of the Town of
Haverhill qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on the second Tuesday of March next (March 11) at ten of the clock in the forenoon, to act on the following matters :

1. To choose a town clerk; three selectmen, town treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one member of the board of cemetery commissioners for five years, one trustee of trust funds for three years, and all other necessary town officers.

2. To hear the report of the selectmen, treasurer, cemetery commissioners and any other town officers heretofore chosen, and to pass any vote relating thereto.

3. To see if the town will vote to authorize the selectmen to borrow on the credit of the town such sums of money as may be needed to defray town expenses until the taxes are collected, and to issue notes of the town for all sums so borrowed.

4. To raise and appropriate money for the support of the poor.

5. To see if the town will authorize the selectmen to distribute the inventory blanks when taking the inventory.

6. To raise and appropriate money for the construction of state trunk line roads.

7. To raise and appropriate money for maintenance of state trunk line roads.

8. To raise and appropriate money for the construction of state aid roads.

9. To raise and appropriate money for the maintenance of state aid roads.

10. To raise and appropriate money for laying out, building and repairing highways and bridges.

11. To raise and appropriate money to provide funds for the treasury sufficient to defray the cost of the settlement agreed on concerning the Woodsville highway money.

12. To raise and appropriate money to pay interest and principal of outstanding town notes.

13. To raise and appropriate money for town libraries.

14. To raise and appropriate money for Memorial Day.

15. To raise and appropriate money for the support of the Cottage Hospital.

16. To raise and appropriate money for other town charges.

17. To raise and appropriate money for band concerts.

18. To see if the town will authorize the selectmen to issue prescription permits to druggists.

19. To see if the town will appoint a budget committee to supervise the appropriations of said town, and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

20. To transact any other business proper to come before said meeting.

Given under our hands and seal, this 8th day of February, 1919

JONAS N. BROWN,
ERNEST A. SARGENT,
HERBERT E. SMITH,

Selectmen of said Haverhill.

Report of Selectmen

To the Citizens and Taxpayers of Haverhill:

The selectmen submit herewith their report for the year ending January 31, 1919. The following pages show statements of the condition of the town affairs and in accordance with the Uniform Accounting System approved and recommended by the Tax Commission of New Hampshire.

SETTLEMENT WITH WOODSVILLE FIRE PRECINCT

In accordance with the authorization given at the last town meeting the selectmen have settled the controversy with the Woodsville Fire Precinct by agreeing to pay out of the funds apportioned to the balance of the town, the sum of four thousand five hundred dollars, payable in three annual instalments of fifteen hundred dollars each without interest, such annual disbursements to be made at the convenience of the selectmen and at least by December 1st of each year. In this connection the selectmen wish to again call attention to the fact that of all highway moneys expended 48 per cent is distributed to Woodsville Fire Precinct.

TOWN FARM BROOK BRIDGE

Early in the summer it was discovered that the north abutment of this bridge was in unsafe condition. The foundation stones had let down, buckling the center of the abutment and leaving the masonry in such condition that it was impossible to make repairs economically or safely. In fact, the settling of this abutment had started to warp the bridge. After consultation with engineers it was decided

unsafe to let this condition continue for fear of serious accident and considerable financial loss to the town. Probably no worse time could have been found to perform such necessary work as the weather, scarcity and high price of labor all combined to work against the completion of this work. It was necessary to go through quicksand to find a suitable bottom capable of holding the weight of the new structure. After the completion of the north abutment it was a question what to do with the south abutment which was somewhat in the same condition but which might have successfully stood for another two years. Acting upon the advice of engineers, we finally concluded to rebuild this abutment as well, feeling that with the equipment upon the ground the work could be performed more economically than at some later date.

The cost of this work was \$8,869.12.

INTEREST UPON TOWN NOTES

Interest charges upon the indebtedness of the town for the fiscal year amounted to \$2,167.91 and for which no appropriation was made.

WHITCHER'S TOWN HISTORY

The selectmen have been called upon to make payment of \$750.00 on account of this historical work and for which no appropriation was made.

HIGHWAY EXPENDITURES

The attention of the taxpayers is particularly called to the over-run on disbursements for highways. The appropriation at last town meeting was \$10,000.00 while the expenditures amounted to \$14,264.13 making an over-run of \$4,264.13 and for which no appropriation was provided. Twenty-five hundred dollars raised at the March 1918 meeting for trunk line construction was not used owing to policy

of the state to suspend such work during the past season. This amount will be available to use when such construction work is resumed.

FINANCIAL CONDITION

The net debt of the town January 31st was \$45,271.71 This includes notes for \$31,000.00, account of the Woodsville-Wells River Bridge; \$5,000.00 note indebtedness carried forward from the fiscal year 1917, and note indebtedness of \$12,000, made necessary by increased expenditures during 1918 and for which no appropriations were made, as follows:

Settlement with Woodsville fire precinct	\$ 1500.00
Cost of Town Farm brook bridge	8869.12
Interest upon town notes	2167.91
Payment account Whiteher's History	750.00
Highway expenditures over-run	4,264.13
Total	<u>\$17,551.16</u>

Particular attention is called to article 12 in the warrant providing for the retiring of a specific amount of indebtedness annually and the appropriation for same.

The selectmen and the budget committee most urgently suggest also the raising of necessary sums for the payment of interest, the raising of such sums as will also more closely cover the usual annual expenditures for highway maintenance and similar known disbursements, whereby the town debt will not be increased and a policy of "pay as you go" will be effected.

TAX COLLECTIONS

The amount collected by taxation this year was \$72,594.18 with abatements of \$415.73. The poll taxes of all soldiers in the service during the year were abated.

The reports of various accounts follow in detail.

Town of Haverhill Budget

TOWN OF HAVERHILL BUDGET

The following is a partial estimate of the expenditures for the ensuing year.

SOURCE OF REVENUE	ACTUAL REVENUE		ESTIMATED REVENUE		INCREASE	DECREASE
	1918		1919

Auditor's Report

To the Taxpayers of the Town of Haverhill:

I have examined the books and accounts of the selectmen, town treasurer and road agents for the year ending January 31, 1919. The books are correctly kept and the accounts properly vouched.

The treasurer's books show a cash balance of \$5,108.96 after all outstanding orders are paid.

The various trust funds are intact and safely invested. The income has been distributed by the trustees in accordance with the object of the funds.

NORMAN J. PAGE,
Auditor.

Report of Tax Collector

Woodsville Fire District

WARRANT FOR ANNUAL MEETING 1919

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Woodsville Fire District in the Town of Haverhill qualified to vote in district affairs :

You are hereby notified to meet at the Woodsville Opera House in said district on March the 21st, 1919, at thirty minutes past seven o'clock in the afternoon, to act on the following matters :

1. To choose a moderator.
2. To choose a clerk.
3. To choose an auditor.
4. To choose a treasurer.
5. To choose one commissioner for the term of three years.
6. To hear the reports of all officers heretofore chosen and to pass any vote relating thereto.
7. To raise and appropriate such sums of money as may be necessary to meet the expenses of the district for the ensuing year.
8. To determine what sum of money the district will raise and appropriate for the purchase of fire department supplies.
9. To determine what sum of money the district will raise and appropriate for the construction of sidewalks.
10. To see if the district will vote to authorize the commissioners to borrow on the credit of the district such sums

of money as may be needed to defray district expenses until the taxes shall be collected and paid over to the district, and to issue the notes of the district for all sums so borrowed.

11. To see if the district will appoint a committee to investigate the feasibility of obtaining a supply of water from some source other than the Ammonoosuc River, and report at a later meeting and to raise and appropriate funds for the expense of such investigation.

12. To transact any other business proper to come before said meeting.

ASSETS

Cash on hand,	\$5,672 57
Due from sidewalk abutters,	80 27
Due from sand, etc.,	40 50
	<hr/>
	5793 74

COMMISSIONERS' REPORT

The commissioners have resurfaced the following streets during the past year: Ammonoosuc, Mill, Smith from ridge to town line, Stoneville to town line, Locust, Nelson, part of Highland St. and Cheney Hill.

Would suggest that Court street from the watering trough to the Bath bridge be resurfaced, and drains put in to carry off surface water.

Also cooperate in some way with the selectmen to resurface Stoneville and Smith Street to the state road.

SEWERS

Plans have been made and published in two book forms of every catch-basin and man-hole in the District at a cost of \$185.

There has been a petition made for a sewer from Cherry Street sewer now to Fred Henry's house, about which something has got to be done during the coming year.

SIDEWALKS

During the past year we have been unable to build any new sidewalks owing to the government forbidding the use of cement. but we would advise a good sum of money to be appropriated for sidewalk construction during the coming year, as there is need of sidewalks on a great many of the streets in the District.

School Reports

WOODSVILLE UNION HIGH SCHOOL DISTRICT WARRANT

THE STATE OF NEW HAMPSHIRE

GRAFTON, SS.

*To the inhabitants of the Woodsville Union High School
District qualified to vote in school district affairs
in the towns of Haverhill and Bath in said County:*

You are hereby notified and warned to meet at the Grade school house in the village of Woodsville, in said Haverhill, on Thursday, March 20, 1919, at 7:30 o'clock p. m. for the following purposes to wit:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a treasurer for the ensuing year.
4. To choose one member of the school board for the ensuing three years.
5. To choose an auditor,
6. To choose one trustee of the Woodsville Free Public Library for the ensuing year.
7. To hear the reports of officers, auditors and committees heretofore chosen and pass any vote relating thereto.
8. To see what sum of money the District will raise and appropriate for support of schools.

9. To see what sum of money the district will raise and appropriate to retire school bonds and pay interest on other outstanding bonds.

10. To ascertain what sum of money the District will raise and appropriate for the support of the Woodsville Free Public Library.

11. To transact any other business proper to come before this meeting.

Given under our hands and seal, this eighth day of February A. D. 1919.

JOSEPH M. HOWE,
ERNEST A. SARGENT,
DWIGHT S. STONE,

School Board.

A true copy attest :

JOSEPH M. HOWE,
ERNEST A. SARGENT,
DWIGHT S. STONE,

School Board.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of the Woodsville Union High School District :

I am herewith presenting for your consideration my report for the current year.

In spite of various handicaps due to changes in the teaching force and loss of time because of influenza some general progress may be reported.

Music has been introduced into both the grades and high school and Miss Helen P. Duquid, instructor in music at Lisbon, has been engaged to take charge of it. Much wholesome interest in this work has been shown by pupils, teachers and public. The subject deserves a permanent place in the school requirements.

Medical inspection has been continued. All pupils in school during the spring term were examined by the school medical inspector, Dr. E. M. Miller. As a result many parents have seen that the physical defects noted by the medical inspector were remedied. But there are all too many children who are unable to do their school work satisfactorily because of defective vision or adenoids whose parents are unable or unwilling to have the defect attended to. In order to safeguard the community the law should provide some means whereby this class of children may receive the treatment they need.

Grades seven and eight have been formally approved as a junior high school by the State Department of Public Instruction. They are now an integral part of the high school which has a six-year program. The work now is continuous from the beginning of the seventh grade through the senior year of the high school. The teachers of the junior high school must have special preparation and be

approved by the state. In addition to the review and continuation of elementary subjects in these grades the state requires French or Latin, elementary science, practical arts, literature, algebra and concrete geometry.

The elementary school now ends with the sixth grade. This means that a larger amount of work must be accomplished in the first six years. To do this demands not only high grade teaching but also maturity enough on the part of the child to profit thereby. The age for entering school should be raised next fall from the present requirement of five and one-half years to six years.

The unprecedented demands during the war for clerical help of all kinds with the resulting high salaries has caused an abnormal increase in the enrollment in the commercial course of the high school. As this condition is true all over the country, it is quite safe to predict that as the labor situation becomes settled there will be a large number of graduates from commercial schools and colleges who are unable to find a position for which they are fitted. The commercial course furnishes the pupil tools for doing a special job, but it is inferior to the other courses offered as a preparation for citizenship or for success at any kind of a job which may come to hand.

In spite of the disadvantage of having an entirely new faculty, the large and stable enrollment is a good indication that the Woodsville High School is still producing high class results. For a detailed report of the high school I refer you to the report of the Headmaster, Mr. G. H. McGaw. Mr. McGaw has had a long experience as a teacher and came to Woodsville after serving seven years as headmaster of the Hillsboro high school. He understands thoroughly the ideals and requirements of the New Hampshire schools, and though handicapped by the new situation,

new teachers and large enrollment, he has the machinery running smoothly and effectively.

At the close of the school year Mr. Orcutt resigned to accept a more remunerative position as Headmaster of Plymouth High School. For ten years he had been the efficient head of the Woodsville High School and was chiefly responsible for its substantial growth in numbers and for its high rank among the schools of the state. His long and scholarly service will not soon be forgotten by his many pupils and friends.

The total number of pupils registered to date is 445. Deducting those who have left school, there are actually in school 416. These are distributed among the grades as follows :

Senior High School	132	G. H. McGaw Headmaster Assistants Nettie V. Eastman Sylvia Tryon Marye Golding Katherine Briggs
Junior High School	68	Nettie McCoy, Prin. Manola Cutting
Grade VI	39	Alice Ellingwood
Grade V	48	Mary Mitchell Mann
Grade IV	43	Teresa O'Malley
Grade III	39	Agnes Bailey
Grade II	39	Lois Booth
Grade I	37	Marion Olney Helen P. Duquid, Music Esther Balch, Practical Arts

As a matter of record these statistics are given for the years 1916-17 and 1917-18 :

	1916-17	1917-18
Number of pupils attending at least two weeks	436	439
Average attendance in all schools	388.11	375.45
Average absence in all schools	22.96	19.45
Average membership in all schools	411.07	394.90
Per cent of attendance	94.41	95.08
Number of tardinesses	398	648
Pnpils not absent nor tardy for the year	48	55
Number of visits of school board	24	12
Number of visits of superintendent	443	306
Number of visits of citizens and others	690	589
Average salary of grade teachers	\$48.89	\$54.40

Graduates of the grammar school, 1917 : Ula Blake, Lena Bishop, Madine Colby, Ellen Cromwell, Dale Cummings, Harold Eames, Cleo George, Charlie Greenwood, Isabelle Howe, Phyllis Howland, Carrie Lane, Meda Kugelman, Beatrice Moulton, Gordon Pebbles, Hildegard Pebbles, Laurent Roy, Wallace Stimson, Roland Spreadbury, Caroline Trumpass, Arlene Walbridge, Helen Weare, Mabel White, Everett Wright.

Graduates of the grammar school, 1918 : Viola Adams Irena Butson, John Battis, Albert Briggs, Jessie Downer, Mildred Day, Scott Delaney, Mildred Eastman, Mildred Eames, Irene Harrigan, Mildred Kimball, Arlene Henderson, Earl Hoit, Aldea Lafond, Wilfred Lamarre, Janette Mann, Don McBurney, Hazel McBride, Earl Palmer, Frederic Page, Reginald Park, Howard Pennock, Samuel Reed, Mary Ross, Thelma Sault, Clyde Shaw, Chester Stone, Barbara Switzer, Thelma Thornton, Ida Thayer, Clara Trombly, Henry Trott, Wilfred Weeks, Isabelle Workman,

Earl Wright, Christine Wright, Wilma Andrews, Raymond Campbell, Edward Miller, Nelson Roy.

In closing I wish to express my appreciation of the pleasant relations which have prevailed among all associated with me in the work of the year.

Respectfully submitted,

NORMAN J. PAGE.

REPORT OF THE HEADMASTER

To the Superintendent of Schools :

I offer herewith my report as Headmaster of the Woods] ville High School.

The registration thus far this year has been 132 pupils the largest enrollment since the school was established in 1895. Last year the register recorded ninety-nine. Six pupils have already left school, four moving from town, one going to work, and one absent through illness. Of the 126 actually attending at present there are 51 boys and 75 girls. The fourth year (Senior) class numbers 16, the third year 21, the second 28, and the first year 61.

The attendance is excellent, there being scarcely two per cent. of absence exclusive of that caused by the epidemic in the fall ; tardiness due to carelessness is not permitted, and but two such cases are recorded.

There are 34 tuition pupils, Haverhill furnishing 9, Bath 7, Newbury 1, Wentworth 4, Rumney 2, Orford 2, Benton 1, and Ryegate 8.

The number of pupils reciting per day to each teacher

is 132, 100, 74, 104, and 124, respectively. The academic curriculum enrolls 27 pupils, the English 14, the general 10, and the commercial 72. There are three special pupils. Also a lady residing in town finds time to take the work of one class. More of our citizens might do that very thing, and thus help to dignify the work of the school in the eyes of inexperienced youth. Household duties might possibly be arranged so as to allow attendance at a class in chemistry, English, Latin, history, French, or shorthand.

The following curricula, with their detailed studies, are offered this year :

ACADEMIC COURSE

First Year	Third Year
English	English
Latin	French
French	Latin
Algebra	Physics
Second Year	Fourth Year
English	English
French	French
Latin	Latin
Geometry	U. S. Constitutional History
	Review Mathematics

GENERAL COURSE

First Year	Third Year
English	English
Ancient History	French
French	Modern History
Algebra or	Physics
Household Appliances	
Second Year	Fourth Year
English	English
French	Chemistry
Modern History	U. S. Constitutional History
Geometry	French
	Economics or
	Review Mathematics

COMMERCIAL COURSE

First Year	Third Year
English	English
Bookkeeping and Arithmetic	French
Household Appliances	Stenography and Typewriting
French or Latin	Modern History or Physics
Ancient History or Algebra	or Latin
Second Year	Fourth Year
English	English
French	Stenography and Typewriting
Bookkeeping and Typewriting	and Office Practice
Modern History or Latin	U. S. Constitutional History
	Economics
	Review Math. or Latin or
	Chemistry or Modern History

Twice a week the entire school has a spelling lesson. Part of the money usually expended for reference books has been devoted to subscriptions to magazines, so that each department may have a periodical and keep abreast of current thought. Although free text books are furnished, pupils are urged to buy as many of their books as they can afford, and these books are sold at special prices to encourage such purchase.

The fact that all the teachers were new to the school this year naturally required a period of adjustment, but very soon the work was progressing with horological precision. The janitorial service is first-rate, the present janitor's interest in neatness being worthy of special commendation.

The Lyceum continues to win the full support of the student body. This is an excellent institution, and gives opportunity to many to appear publicly in some literary enterprise. Several attractive programs have already been rendered.

Last April the 25nd annual prize speaking contest took place in the opera house. Out of ten speakers first prizes

of six dollars were awarded to Anna Davidson and Archie Griffin, and second prizes of four dollars to Marion Gale and Stanley Burbeck. These prizes are donated by friends of the school who prefer to remain anonymous. Training for this year's contest is already started under direction of Miss Luvia E. Mann, whose abundant ability has been demonstrated in previous years.

Chorus singing once a week has been introduced this year. It is a success beyond expectation. The teacher trains a special chorus also, and gives help to individuals who wish to avail themselves of it.

The auditorium windows and lights have been screened and the hall prepared for playing basket ball. Everyone who wishes will have a chance to play for the sake of the exercise, and some teams may be developed. Baseball is planned for the spring term; last season saw 2 games won, 6 lost, and all expenses paid.

The class of 1918 presented as a gift a wall mirror for the teachers' room, thus making a worthy memento of the class and filling a need of the school.

The graduates were twelve :

George A. Bailey	Annie J. McClay
Leroy E. Brown	Letha E. Nelson
Dorothy M. Hunt	Lea M. Roy
Phillip H. Leighton	Dorothy A. Rowden
Hazel I. Manchester	Elsie E. Tuxbury
Laura E. Mercier	Leta A. Weare

First honor was earned by Miss Hunt, and second by Miss Manchester. Mr. Leighton and Miss Tuxbury took honors in academic subjects, and Miss Nelson and Miss Weare in commercial subjects. Of this class four are now students in school or college, one is training as a nurse, five are at work in business houses, one is teaching, and one is occupied at home.

As far as known 52 former pupils have been in various branches of the country's service during the war, and these have a place on the school service flag.

In a two month's War Savings Stamp campaign the school sold \$1311.44 worth of stamps, an average of \$10.66 per pupil, and won first prize for Woodsville, \$12.00 generously offered by Mr. E. B. Pike. The school is organized as a War Savings Stamp society, and monthly reports of savings by pupils are sent to Concord.

To the nation-wide Victory Boys and Girls campaign last November the school pledged a total of \$182.29. This money is earned and given for war work.

The High school is Opportunity rather than compulsion, and it seeks to give its pupils definite information, correct habits, and worthy ideals. Visits from parents and other persons interested are welcomed.

Respectfully,

G. H. McGAW.

January 31, 1919.

FRED L. SARGENT,
Treasurer.

AUDITOR'S REPORT

September 3, 1918.

I hereby certify that I have this day examined the books and accounts of the school committee and treasurer of the Woodsville Union High School District and find the same correctly cast and properly vouched, with a balance in the hands of the treasurer of \$158.97, to be accounted for by him to his successor in office. The books of the committee show a disbursement of \$28,831.38. The books of the treasurer show a disbursement on orders of the committee of \$28,831.38.

I also certify that in the presence of the chairman of the school committee and treasurer, I have this day destroyed by burning three bonds, Nos. 31-32-33 each for \$500.00; total \$1,500.00.

Coupons numbered as follows have not been presented and are outstanding:

Coupons No. 47, 2 coupons	\$11 25 each
Coupons No. 48, 2 coupons	11 25 each
Coupons No. 52, 2 coupons	11 25 each
Coupons No. 53, 2 coupons	11 25 each
Coupon No. 15, 1 coupon	11 25 each
Coupon No. 16, 1 coupon	11 25 each
Coupons No. 19, 2 coupons	11 25 each
Coupons No. 25, 2 coupons	11 25 each
Coupons No. 26, 2 coupons	11 25 each

E. R. BALL, Auditor

SUPERINTENDENT'S REPORT

To the School Board of Haverhill:

I am presenting for your consideration my eighth annual report, which is the twelfth in the series of district superintendents' reports.

I give below the total registration for the present school year of 1918-19:

Haverhill Academy, J. C. Bailey, headmaster	61 pupils
E. A. Janes, assistant	
Blanche Philbrick, assistant	
Olive Taylor, assistant	
Haverhill grammar, Dorothy Mudgett	17 pupils
Haverhill primary, Florence Lang	30 pupils
Ladd Street, Mary E. Clement	22 pupils
Pike grammar, Mabel Weston Sawyer	17 pupils
Pike intermediate, Sally Nutter	17 pupils
Pike primary, Dorothy Pease	19 pupils
East Haverhill grammar, Elizabeth Grindell	16 pupils
East Haverhill primary, Mabel Tragansa	28 pupils
Number 6, Hilma Swanson	18 pupils
North Haverhill grammar, Mary Coolidge	14 pupils
North Haverhill intermediate, Catherine Lang	23 pupils
North Haverhill primary, Cathryn Peach	16 pupils
Brier Hill, Ruth Cram	18 pupils
Center Haverhill, Hazel McDonald	22 pupils
Number 10, Mona Layton, Caroline Young	6 pupils
Special teacher of practical arts, North Haverhill, Pike and East Haverhill, Helen A. Rand.	
Total number of pupils in town	344

Statistics from the report to the state for year ending

August 31, 1918:

Number of pupils attending at least two weeks	384
Average attendance in all schools	299.2
Average absence in all schools	37.46
Average membership in all schools	336.66
Per cent of attendance	83.88
Number of tardinesses	1609
Number of visits of school board	23
Number of visits of superintendent	296
Number of visits of citizens	1106

Average salary of grade teachers per month \$48.95

PROMOTIONS IN JUNE, 1918

Grade	I	II	III	IV	V	VI	VII	VIII
Promotions	40	22	37	38	22	29	16	24
Not promoted	10	7	3	3	3	9	3	11
Average age	6-2	7-9	9-3	9-11	10-10	11	13-3	13-4

GRAMMAR GRADUATES, JUNE, 1918

Marguerite Blank	Stewart Noyes
Harriet Butson	Henry Noyes
Edward Clark	Earline Pike
Herman Holt	Mildred Perkins
David Irons	Nellie Silver
James Joseph	Emma Shallow
Frank Jewett	Georgeanna Smith
George Keyes	Josephine Southard
Florence Lafoe	Arline Smith
Dora Lavoie	Winona Slight
Henry Leonard	Evelyn White
Alfred Morrill	

GRADUATES OF HAVERHILL ACADEMY

Marie Claribel Avard	Florence Alice Robinson
Gladys Jennie Dunkley	Fred Cutler Russell
Murriel Pearl Dutton	William Henry Slight
Elsie Mae Fletcher	Flora Elizabeth Trinnel
John McDonald Robinson	Dorothy Mae Spooner
Ethelyn Millicent Gilchrist	

Pupils who have attended every session during the school year of 1917-18 without being tardy:

Arden Atkins	Max Robinson
Earl Derosia	Velma Scallon
Thelma Hoyt	Carl Wheeler
William Lange	Maxime White
Louis Pike	

In the above statistics it will be noted that the per cent of attendance for last year was lower than in any year since these facts have been published. The num-

ber of tardinesses, too, was far beyond any previous record. This may be partially explained by the severity of winter and by the great need of having the children assist at home because of the shortage of labor. Much of the absence and the larger part of the tardinesses, however, were unnecessary and without excuse and indicate a gross indifference on the part of both pupil and parent of the legal requirement of attendance at school. The law specifically states that the parent or guardian shall see that the child attends school "all the time school is in session" and attaches a penalty for failure to do so. Educationally, frequent absences lower the standard of scholarship and seriously impair the general morale of the school. The class as a whole suffers because the teacher must give special attention to getting the absentee familiar with the work lost. The pupil loses interest, drops behind and often fails of promotion but worst of all he fails to acquire the habit of prompt and persistent attention to the business at hand. To my mind this is a situation demanding the serious attention of all concerned.

During the year the trustees of Haverhill Academy purchased the Talbirt place for the use of the school. The house offers an excellent home for the headmaster and the ten acres of tillage will furnish the boys in the agricultural course a much needed opportunity for demonstration plots within easy reach of the school. The fact that the state requires this practical work of the boys of this course and a definite good sized home project as well seems not to be taken seriously enough by pupils and parents. The state by making this a condition of approval recognizes that this type of school work fails of its purpose unless it actually functions in real crops at home. Henceforth no diplomas will be given in this course until all the

requirements for home projects have been satisfactorily met and completed.

As Mr. Bailey suggests in his appended report there is need at the Academy of another course of study in addition to the three now given, which will fit for college or normal school. This would be a so-called English course and would accommodate those pupils who do not care for the Latin or practical arts courses. Such a change would require an extra teacher who could not only take this extra work but also relieve the present teachers who are now overworked.

The general conditions of labor and especially the scarcity of trained and competent teachers brings to the front the subject of teachers' salaries. The elementary teachers in Haverhill receive this year from \$40 to \$68 per month for nine months of the year. For the other three months they are expected to live on the charity of their families and friends or eke out their existence by such available employment as will not conflict with their duties as teachers. At the above salaries, counting 300 working days in the year, our teachers receive from \$1.20 to \$2.00 per day. Comparison with the prevailing prices of other kinds of labor, even of the cheapest grade, is to the disadvantage of the teacher. We pay better wages to the man who drives and cares for our horses than to the woman who labors to train our children to become the men and women we wish them to be. Education in our rural communities will take no great strides forward until we recognize the intrinsic value of the trained and successful teacher and until we pay her a salary which is commensurate with the dignity and responsibilities of her position.

Mr. E. Bertram Pike as chairman of the town committee on war savings, very generously offered \$50 in prizes to those schools which sold the most stamps

during the fall term. Of this sum \$30 was to be divided into three prizes for the town schools and \$20 into two prizes for the Woodsville schools. The total sales amounted to \$5,839.50, of which the pupils of the town schools sold \$3,496.54. The Pike school won the first prize, Haverhill grades the second and North Haverhill the third. There are War Savings Societies in several schools and the pupils are encouraged to buy thrift stamps in order to inculcate personal habits of thrift.

The State Department of Public Instruction is asking this year all pupils in the public schools to enroll in the New Hampshire Army of Junior Food Producers which is a division of the United States School Garden Army and to try to grow one or more food crops. The object is not merely to produce more food but also to teach the pupils to be thrifty by taking advantage of the opportunities which are close at hand. This is a deserving and practical subject which should have the support and hearty cooperation of the parents.

I wish to express my appreciation of the support and loyalty of those associated with me in the work of the year.

Respectfully submitted,

NORMAN J. PAGE.

REPORT OF THE HEADMASTER OF HAVERHILL ACADEMY

To the Superintendent of the Schools of the Town of
Haverhill:

Sir:

I hereby present my annual report for the year
1918-1919.

COURSES OF STUDY

Haverhill Academy offers three curricula, the Latin, the Domestic Arts, and the Agricultural. These have been adopted by the school officers and approved by the state. The following are the subjects under each curriculum offered this year:

FRESHMAN YEAR

Academic (Latin)	Domestic Arts	Agricultural
English	English	Horticulture with
Latin	Household	Soil Study
	Appliances	
Mathematics	Ancient History	Practical Mathematics
Ancient History	Latin or	Ancient History
	Practical Math.	English

SOPHOMORE YEAR

English	English	Field Crops with
Latin	Nursing and	Soil Study
Mathematics	Physiology	Woodwork and
		Blacksmithing
French I	French I	Mediaeval and Mod- ern History
	Latin or	English
	Mediaeval and	
	Modern History	

JUNIOR YEAR

English	English	Animal Husbandry
Latin	Household	Farm Engineering and
	Organization	
Physics	French II	Tools
French II	Latin or	Physics
	Physics	English

SENIOR YEAR

English	English	Farm Organization
Latin	Household	Road Building
	Management	and Forestry
U. S. Consti. Hist.	U. S. Consti. Hist.	U. S. Consti. History
Chemistry or	Latin or	English or
Mathematics	Chemistry	Chemistry

There has been no radical change in the Latin course. It stands about the same, aiming at giving a good foundation for those who plan to pursue aca-

demic work in college. The Domestic Arts curriculum is now well established and offers a very practical yet liberal education. A girl may take this course and elect Latin if she so chooses. Miss Philbrick has continued the serving of lunches in Pearson Hall, and many scholars avail themselves of the good things.

The Agricultural curriculum is for those boys who expect to be farmers. It will not prepare them for college, except Durham. By means of texts, bulletins, demonstrations, field excursions, etc., knowledge in the different branches is broadened, but this is not enough. There must be the home project, the direct out-growth of what has been studied in the class room. An honest effort must be made in this project work and parents are asked to cooperate.

EXHIBITION

Haverhill scholars held the annual exhibit of their products in Pearson Hall last fall. On account of the October influenza, it was held so late that interest had been lost to a large degree.

FEDERAL AID

So long as this school meets certain requirements, it will continue to receive federal money under the Smith Hughes bill. New Hampshire's allotment last year was \$5,000.00, and about 20 schools qualified for this money.

AGRICULTURAL EQUIPMENT

The Academy has a blacksmith shop with two forges and a carpenter shop. One room is set aside for agriculture and this is well furnished with books and bulletins. I would suggest the purchase of "Farmers' Encyclopedia" for the library. The Academy now owns the "Talbot" farm—10 acres for agricultural purposes.

ATHLETICS

This year basketball was taken up by both boys and girls. When snow came the girls had to give up playing. The boys used Pearson Hall, but this hall is so low in ceiling that no one could get proficient in scoring on regulation floors. Purchase the old court house and this school is put on a par with others in athletics. Under control, athletics surely have a place in school life.

A NEW COURSE NEEDED

There is a crying need of an English curriculum and another teacher to take up this work, and relieve the present teachers of their now over-full schedules. A boy has to choose between Latin and agriculture. He chooses Latin and by the end of the first year he changes over to agriculture. His agriculture is not of much use to him after graduation and he is not qualified to enter most colleges. Give us this extra curriculum, another teacher, and accommodations for out of town pupils and I believe the Academy will go forward.

ENROLLMENT

The distribution of the students in the different courses is as follows: Latin, 20; Domestic Arts, 23; agricultural, 18. There is one special student.

I hereby express my appreciation to you and to all school officers for your cooperation and support. I also feel very grateful to my fellow teachers for their hearty support, and to other citizens for their backing.

Respectfully submitted,

(Signed) JUSTIN C. BAILEY.

REPORT OF THE SCHOOL BOARD

The school year 1918-19 will, no doubt, be long remembered by all interested in school matters. It had hardly commenced when the terrible epidemic of influenza compelled all schools in town to be closed down for about one month, and ever since then the general school work has been sadly interfered with by the large amount of absences of pupils on account of sickness and substitution of teachers for the same reason. This will necessitate a shortening of the recesses between terms and a prolongation of the school year, in some cases to almost the end of June.

During the past year an annex has been added to the East Haverhill school house, providing an extra room for the teaching of manual training for the boys and domestic science for the girls, also containing new closets. There was also a new porch added to the front of the school house. The Board would like the District to consider the advisability of having a water system installed in that building. It might necessitate the outlay of several hundred dollars, as considerable piping would have to be done.

The interior of the Ladd Street school house was thoroughly renovated in the way of painting and papering. Water was also installed in that school house and this proves to be of a great advantage and benefit to the teacher and pupils. It is intended to paint the outside of the building during the next spring.

New school furniture was installed in District No. 6. Extensive repairs to that school building had to be deferred owing to inability of securing labor, but it is the hope of the Board that the necessary work can be carried out during the coming summer. The residents of District No. 6 are very desirous for the

School District to purchase a piece of land, about one-quarter of an acre, from Mr. F. S. Hardy to serve as additional play yard for the children of the school. The piece under consideration is only \$25.00 and the Board strongly recommends that the District will authorize the purchase.

For the past few years it has been the constant aim of the Board to do all in its power to improve the efficiency of our high school at Haverhill Academy. It has always been said that Haverhill Corner, in view of its beautiful location, is an ideal spot for an institution of learning. Such being the fact it seems to us that the town should be willing to make some additional investments in school property. There is the old court house which could be changed over into a beautiful auditorium and gymnasium for the students. The School Board, upon conferring with the present owners, have learned that the property could be purchased for a sum of about \$500.00. Of course extensive repairs amounting perhaps to \$1,500 to \$2,000 would be necessary in order to make the building available for use. However, it must be evident to every voter who takes pride in our educational affairs, that the acquirement of this historic landmark which will rapidly fall into decay if left alone a few more years, should prove an immense asset to the town, an asset that cannot be figured in dollars and cents alone. The Board also hopes that some day an enterprising person will come along and erect a school dormitory for out-of-town students. It seems a pity that possibilities of the kind as outlined above cannot be materialized. A large high school means financial returns to the voters of the District, and this is a point well worth pondering over.

As is generally known the cost of everything, no matter whether it be for building material, supplies,

fuel, or teachers' salaries, janitors' wages, etc., etc., is extraordinarily high, and with this in view we submit the following recommendations:

For all school purposes	\$14,500 00
For repairing school houses	750 00
For minor repairs	500 00

For transportation to high school students whatever amount the voters see fit to raise, and such other sums as the voters see fit to raise for various officers of the district.

Respectfully submitted,

E. BLANK,
DANIEL CARR.

School Board of Haverhill.

Haverhill, N. H., February 20, 1919.

TOWN OF HAVERHILL
SCHOOL DISTRICT REPORT

Lights and Water	148.57
New Equipment	145.07
Transportation of Pupils	2,156.35
Tuition	432.00
Salaries and Expenses of School Officers	239.56
Salary and Expenses of Superintendent	703.89

Miscellaneous	10,736.11
Balance on hand	771.25
	\$38,627.80

Respectfully submitted,
W. H. LANGMAID,
Treasurer

Haverhill, N. H., August 31st, 1918.

AUDITOR'S REPORT

I have this day examined the accounts of the School Board and Treasurer of the Haverhill Town District for the period from Feb. 16, 1917 to Aug. 31, 1918 and find them correct.

I find a Cash balance at the Woodsville National Bank on Aug. 31, 1918 of \$825.57. I also find outstanding orders against this balance amounting to \$54.32, thus leaving an actual balance in the hands of the Treasurer of \$771.25. Seven Notes (temporary loans) amounting to \$9,500.00 were destroyed by burning in the presence of the School Board.

There are outstanding 4 notes (temporary loans) amounting to \$7,200.00 which will not mature until Feb. 15, 1919.

M. A. MEADER,
Auditor

Haverhill, N. H., Sept. 5, 1918.
